

Requirements for students in McMaster's Integrated Business and Humanities program

Students enrolled in McMaster's Integrated Business and Humanities program should follow the adapted guidelines below to satisfy their requirements for the Interdisciplinary Minor in Sustainability. All requirements are consistent with the standard Minor requirements, with the addition of course options highlighted in red below.

24 Units total

- No more than 6 units from Level 1 courses
- Units from SUSTAIN courses
- Any 3 units from the following list of SUSTAIN courses:
 - SUSTAIN 1S03 – Introduction to Sustainability
 - SUSTAIN 2S03 – Evaluating Problems & Sustainable Solutions
 - SUSTAIN 3S03 – Implementing Sustainable Change
 - SUSTAIN 4S06 – Leadership in Sustainability

21 Units from Course List (supplemented by IBH courses noted below)

- Selected from two or more Faculties as outlined by the [Interdisciplinary Minor in Sustainability Course List](#) in the Undergraduate Calendar.
- Any cross-listed course between two or more Faculties and those of interdisciplinary programs will be counted as a course outside of the student's home Faculty. ENVIRSC and EARTHSC courses are administered by the Faculty of Science. GEOG courses will be considered as Faculty of Social Science courses.
- Sustain courses do not count towards units outside a student's home Faculty.
- **IBH students may include up to 6 units from the following list of Level 1 IBH courses:**
 - **IBH 1AD3 – IBH in the Community**
 - **IBH 1BC3 – Fundamentals of Ethics**
 - **IBH 1BD3 – Introduction to Peace Studies for IBH**
- **IBH students may also include 6 units of the following IBH courses:**
 - **IBH 3BA3 – Understanding Entrepreneurship and Social Entrepreneurship From a Historical and Theoretical Lens**
 - **IBH 3BB3 – Organizational Strategy**
